

Sullivan Weather Volunteer Support Team
N3533 Hardscrabble Road
Dousman WI 53118

The Sullivan Weather Volunteer Support Team provides volunteer based services in/for the Milwaukee/Sullivan Forecast Office of the National Weather Service.

We are looking for a number of qualified candidates to fill the following position:

Title: Communications Support Specialist

Wage: Volunteer

Hours: On-Call (per Applicant Schedule) or As Desired

(Office Operates 24/7 and on Occasion Does Require Short Fused Planning for Incident Support Activities)

Prerequisites

- 18 Years of Age or Older
- Clean Background Check
- Own/Reliable Transportation
- Clean, Professional Appearance
- Acts/Executes with Integrity and Focus on Mission of Agency Served
- Previous Experience In, or Willingness to Obtain the Following Skillsets Within a Training Curriculum:

Incident Command System (ICS)

National Incident Management System (NIMS)

Agency Mission, Plans, Goals and Culture

Communications Technologies and Methods

Amateur Radio or Professional Two - Way Communications

Responsible/Secure Internet and Computer Tools Usage

Social Media (with a Focus on Facebook and Twitter)

Excellent Written and Verbal Communication Skills

Common Word Processing, Spreadsheet, Presentation, Media and Graphics Tools

Elementary/Basic Weather Knowledge

Other focused positions can be made available based on needs of the team and the candidate's desired path.

Candidates will be evaluated for selection after an in-person interview and successful validation of a clean criminal background check as required by the Agency supported.

Candidates can contact the Sullivan Weather Volunteer Support Team at swvst.mkx@gmail.com with any questions or with their desire to join the team along with any details on any relevant experience.
